Hi, Steve/ [REDACTED]

To keep the lines as clear and organized, and as effective as possible. I think it would be good to have all alchemist-related email that I touch, in alchemist world. Would you please set me up with an @alchemist email (more for internal purposes as I coordinate with [REDACTED] etc...) – as that should not be mixed in with my ops work here at [REDACTED] (also will help me help you help us all).

Confirm/Approve?

Thanks.
